

Government of Bihar
DEPARTMENT OF AGRICULTURE

Letter no-01ए0जी0 विविध-12/17

/Agri Patna, Dt- October, 2017.

ORDER

Consequent upon the issuance of guideline under "Department of Industrial Policy & promotion" (DIPP), Govt. of India, as part of Business Reforms Action Plan 2017 under Ease of Doing Business (e-service: issuance of new licences Repairer, Dealer, Manufacturer & their renewal under Bihar Legal Metrology (Enforcement) Rules 2014, it is hereby decided that :-

1. As per performance indicator-177:- Design and implement as system for indentifying licences that need to be inspected. The inspection of licences will be categorized as High, Medium and low risk. The categorization is on the basis of risk and public interest factors.

(a) High risk licenses :- issuance of manufacturing and repairer licences and renewal of repairing licences.

In case of High risk licenses the Joint Controller, Dy. Controller, Assistant Controller, Inspector of Legal Metrology as directed by Controller, Legal Metrology shall carry out the inspection, provided that the first visit will be advisory only.

(b) Medium risk :- Issuance of dealer licences to the existing manufacturer of Weights & Measures, Issuance of dealer licences to the applicant which are exclusive dealers of any manufacturer of Weights & Measures.

In case of Medium risk licenses the manufacturers under whom the dealers are working, will certify the report and self certification/authorization will also be allowed.

(c) Low risk :- Renewal of manufacturer licences and dealer licences.

2. As per Performance indicator- 178 :- The inspection reports of licences should be submitted to web application of Legal Metrology a unit of Agriculture Department to be created shortly through online system within 48 hours of Inspection.
